

Prostate Massager with unique 'Come Hither' Stimulation

Thanks to its innovative WaveMotion™ technology, LOKI Wave™ is the ultimate new pleasure product for men, curling back and forth in a beckoning, come-hither motion for the most satisfying prostate massage. Combined with the 10 satisfying vibrating settings from two perfectly placed motors for simultaneous prostate and perineum massage, it's a combination that guarantees a life-changing orgasmic experience. What's more, LOKI Wave™ is 100% waterproof, USB rechargeable and made from smooth, luxurious silicone, and covered by a full LELO warranty.

HOW TO USE

- Push the middle button to turn LOKI Wave™ on, and press the ▲ or ▼ button to cycle through the 10 stimulation modes.
- Press + to increase vibration strength and - to decrease.
- Push the middle button to turn off, and your last used setting will be saved, so that the next time LOKI Wave™ is turned on, it will start at that setting.
- With several vibrating components, the LOKI Wave™ is great for creative stimulation of erogenous zones during foreplay and beyond.
- The LOKI Wave™ has been programmed with 10 modes to combine vibrations with wave motion for intense intimate pleasure.
- To lock the LOKI Wave™ simply hold + and - buttons together until backlights turn off. To re-activate and turn on, hold + and - together until backlights turn on.
